The Cosmo Library is one of the world's great lending libraries, with an amazing collection of over 1 million books, and an equally extraordinary history. This extensive collection includes works on individual countries, monarchs, historical events and topics such as feudalism, international relations and chivalry.

History from ancient to modern: political, ecclesiastical, topographical, constitutional, social, economic, military...

[View more](#)

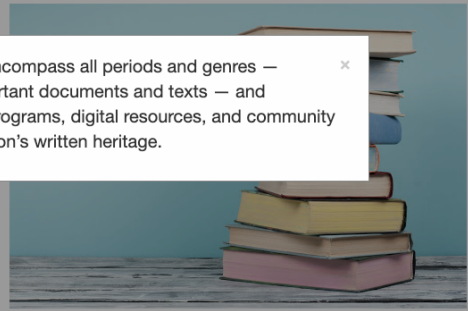

- U sekciji About nalaze se informacije o biblioteci
- Kada se klikne na dugme “View more” pojavljuje se modal sa dodatnim informacijama vezanim za samu biblioteku. U gornjem desnom uglu nalazi se dugme x, kada se klikne na njega modal se isključuje.

The Cosmo Library is located in New York City, the Library of America editions encompass all periods and genres — including acknowledged classics, neglected masterpieces, and historically important documents and texts — and showcase the vitality and variety of America's literary legacy. Additional public programs, digital resources, and community partnerships help readers worldwide make meaningful connections with the nation's written heritage.

Happy Customers

The best library in town, a large selection of books, very friendly staff.

Very good :)

-Marry

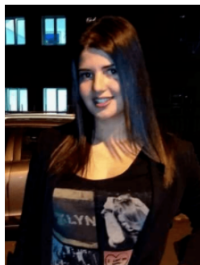

I like science books the most, they have everything from my favorite writer!

I'm thrilled, see you soon
